Chapter 32 ♡ Free Time Means Freedom

The day  
of our  
free  
time...

arrived,  
hasn't it?

Starting now,  
we're going to  
follow Muriel  
Besson's  
direction of a  
love comedy  
together...

Yeah...

Well,  
shall we  
go then,  
Adagaki-  
san?

Seems  
like she  
didn't sleep  
either...

"trembling with excitement" is a noun formed with the words "extreme" and "trembling". Instead Mural mistakenly uses the term both literally and as a verb.

I think you mean you were **trembling with excitement**...?

Oui!

I was looking forward to today.

so I've been trembling non-stop like a warrior!

*Mufufufufu*

woah-

You two really came...!

"Oui" means "Yes".

About Japan's male high school love comedies!

Please teach me somehow!

Her eyepatch says "soul."

I guess we have no choice then.

Well, she does look pretty serious about it...

Wikipedia: Oro no Komaichi was a Japanese waka poet... removed for her unusual beauty...

It's an imaginary story

**Je  
t'adore**

French for  
"I love you"

By  
locking  
your  
eyes...

or even  
choosing  
to kiss...

Wait,  
wait,  
wait  
...!

...with this  
person!?

Yet, I realize that if I *didn't* lie, I would've been too scared to approach him...

I think, "What if?"

Sometimes,

That is, if I hadn't lied to him in the beginning...

What if I had changed the way I approached him by a little...

...

Like me.

It'll be painful from now on, hm?

I'm sure, for that person,

*I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years

You  
can drop  
the act.  
That trick  
won't work  
on me  
anymore,

**Traitor  
Sorceress-  
san.**
